Ship: *Emerald Princess*

Sailing: November 5-12, 2017

**FREQUENTLY
ASKED
QUESTIONS**

Remember: Reduced deposit of only \$200 per stateroom when you book by June 18th!

How Do I Make My Reservation? Fill out the cruise registration form completely. Turn it in at a WMAD event, or mail or hand carry it to our cruise travel coordinator, Gina Bryant, at the Expedia CruiseShipCenters office (see address below). To protect your credit card information, please do not email or fax any payment info.

What if I don't have a passport? You don't need a passport in order to book your vacation; however, a valid passport issued by your country of citizenship will be required for travel. U.S. citizens may begin the application process by visiting <https://travel.state.gov/content/travel/en.html>

What is the cost of travel insurance? Travel insurance is highly recommended to protect your vacation investment. We won't know the cost of insurance until the total cost of the trip is available, including optional airfare and pre-cruise hotel. We anticipate this approximately 9-12 months prior to travel. You are encouraged to purchase insurance at the time of final payment.

How many guests can sail together in one stateroom? If you choose, you may invite your spouse, children, family and friends to enjoy this voyage with you. Cruise ship staterooms are smaller than hotel rooms. In order to be comfortable with the amount of space, it is suggested that no more than three adults share one room. Third and fourth guests will be accommodated in upper berths and/or rollaway beds. Triple and quad stateroom availability is limited, so please book early.

What if I'm not sure who will be going with me? That's perfectly okay! As long as you deposit \$200 (up to June 18th) or \$500 (June 19th and after), your stateroom reservation is confirmed.

What are my payment options? Expedia CruiseShipCenters accepts major credit and debit cards for payment. After your deposit, you are welcome to make payments as often as you like. Final payment is due August 1, 2017. Cancellation penalties will apply after that time, and will increase as the sailing date draws near.

What are my options for getting to the Port of Los Angeles? We will be putting together a package to include roundtrip airfare from ABQ, a one-night pre-cruise hotel, and ground transportation to and from the ship. Purchase of this package will be completely optional; you are welcome to make alternative plans.

What kinds of activities will be available? So glad you asked! Here's a taste of life on a Princess cruise:
